This seminar will discuss commercial property coverages, exclusions and endorsements and commercial occupancies that fall within that scope. You will learn to identify common coverage triggers, coverage exclusions and general conditions of the standard commercial property form. It will give you a general understanding and comfort level of what types of risks can be insured under the form.

Who should attend?

This seminar is ideal for commercial brokers, underwriters and adjusters. It may also be of interest to personal lines staff that would like general knowledge of the commercial forms.

Speaker: *Joe Gariepy, BA, CIP, CRM - Aviva Canada*

Joe began his career with RSA's commercial underwriting department in 2007. He worked for a year in Calgary before relocating back to NS. He was selected to join a specialty team focused on complex risks where he worked before taking a lead role with their Customer Service Centre for two years. He then returned to the complex risk team as a senior underwriter in 2014. He has recently taken over the role of Senior Property Specialist at Aviva.
