

For Immediate Release

Nova Scotia Residents Affected by Recent Flooding Advised to Contact Their Local Brokers

Halifax, NS, November 9, 2010– The Insurance Brokers Association of Nova Scotia (IBANS), a membership driven Association representing independent Property & Casualty Insurance Brokers, would like to advise Nova Scotia residents living in the areas affected by the recent flooding to contact their local broker, who will guide them through the claims process.

For further information please contact:

Carolyn James, President, IBANS
